

WORTHING NEWS JULY 2020

St Margaret's Church

Due to the Covid-19 virus, at the time of going to press we will have completed 3½ months of lockdown which has brought great sadness and sorrow for those we have lost and will remember, also trying to understand and cope with the various guidelines and restrictions, the easing of these is very difficult.

We all hope and pray that this will diminish soon! so we can once again restore our communities.

We have heard from a number of sources that all churches must remain closed until it is safe to gradually reopen them, and so it's reassuring to know that this is starting to happen albeit very carefully but *allowing only for individual private prayer to take place*. Clearly safeguards need to be in place first to protect us all and for the moment, St Margaret's Church will remain closed, hopefully only temporarily.

As Church Warden for St Margaret's I shall continue to regularly review the current closure arrangements so that when preparations have been made to reopen, I shall let you know.

For the present, Worthing like many churchyards are blossoming with an abundance of wildflowers so please drop by and enjoy this special tranquil space that we cherish.

And as we hear so many times now, We'll Meet Again, and we shall, keep safe and well everyone.

Celia
