

Samaritan's Purse UK **A child's greatest journey starts with a shoebox gift.** From Worthing, The Heart of Norfolk Churches Group and from our neighbouring villages, we were able to send 24 shoeboxes off to our local drop off point, ready to catch the plane and start the journey of expressing love, hope and bring joy to children in need around the world.

What goes into the box is filled with love from everyone involved and packed with lots of fun, but what comes out is eternal. Love, joy & most importantly, hope for the future.

Samaritan's Purse UK is an international relief and development organisation that works through local churches to proclaim and demonstrate the love of God amongst communities in need (in countries across Sub-Saharan Africa, Eastern Europe and Central Asia) across the world.

So please put a note in your 2020 diary and plan ahead when we shall start this work all over again and hope you will once again join in the fun. *A huge thank you to those 24 people who took part this year.*

Worthing Family gathered for this annual Remembrance Sunday on the 10<sup>th</sup> November and although we remember on this day, our lost loved ones are with us always.

**"LOST LOVED ONES"**

**No one knows the future,  
No one knows what lies in store,  
But I believe, that someday somewhere,  
We shall meet again once more.  
This is the hope, that lifts my spirits high,  
On hope's bright wings, That we are moving,  
Towards Happier brighter things. Amen**

The retiring offertory has been distributed across:
