Worthing Church Update Jan2015

FROM WORTHING.... A HAPPY NEW YEAR TO YOU ALL

I know the start of another year holds many challenges ahead for us all not least trying to keep our New Year's resolutions – good luck to those of you that have set them!

But let's not forget 2014 in too much of a hurry Worthing celebrated this time of year with another Traditional Christmas Carol Service led by our Rector Nicholas Varnon on the 14th at St Margaret's Church. With mulled wine brewing in the background, our service opened with a personal greeting from our Rector followed by Suffolk & Coventry Carols sung so splendidly by The May Singers and accompanied by Martin Budgett our local organist. The service continued with some jolly carols and readings from the congregation made up of Worthing locals and friends, visitors & relatives from around the neighbourhood. This clearly was a special time when we all came together to celebrate the forthcoming arrival of Mary's baby, Jesus Christ her little child. *Our thanks to everyone involved in all the preparation, taking part in readings, singing and of course you for joining us.*

A note for your diary - Our next Sunday family service will be on the 11th January at 11am. We hope you are able to join us. A cuppa and some friendly banter follows!

May we also remind you of our January fundraising idea:

By helping to sustain our Church, maybe following the Christmas gifts you received & exchanged there is now a redundant mobile phone looking to be rehomed!

If you would like to donate any redundant mobile phone(s) our Church could benefit from funds raised by recycling your old phone. If you can help with this type of donation, please contact: Celia Daniel

tel: 01362 668928 / 07813 46657
or email: c.daniel784@btinternet.com

Thank you for your continued support.

And before the Shops start to stock chocolate of a different shape, you now have 13 weeks to Easter.
