

WORTHING NEWS - JUNE 2016

As reported in our January 2016 news, our little church had planned some internal repairs to the lower section of the walls and also in the Vestry. I am pleased to report that this has been completed successfully with the final coat of lime wash being applied as I write the article. Norgate Contractors have done a great job however, *without the generous legacy that Worthing received last year this work would not have been possible.*

To help sustain our Church, Mission and Ministry work, an information leaflet on Planned Giving or indeed Legacies, has been prepared by the Diocese.

Our traditional May Day Bank Holiday Cream Teas got off to a fabulous start, although not as sunny an afternoon as we had hoped, this did not deter our visitors including 3 children. 51 cups and many pots of tea, squash for the little ones, cake and fabulous raffle prizes kept everyone satisfied in the tummy (possibly too many calories!) and pleased with their gifts when they left to go home. £244 was raised which was an excellent outcome to the event and which would not have happened if it was not for our great Volunteer Team in Worthing. Behind the scenes much cleaning and preparation took place (the builders left 5 days previously) and of courses cooking scrummy cakes. *Our thanks to all those who helped in this preparation and also our visitors on the day. Remember, 2017 date falls on the 1st! So please put this in your diary and come on by.*
