

WORTHING NEWS - JUNE 2017

At the time of going to press in May we unfortunately were not able to report back our Easter celebrations in Worthing.

In recent years our Church has welcomed **Student Cross** and this year was no exception.

On Maundy Thursday a group of young people with parents took part in their annual pilgrimage to Walsingham during Holy Week.

Having walked several miles they were in need of refreshments followed by a brief period of reflection on the significance of Easter and their pilgrimage. Although our little village only has tiny tots, our church as always welcomes children and young people of all ages to come and either visit or worship.

EASTER SUNDAY DUCK RACE WINNING NUMBERS:

Although the midday race was perhaps a little chilly by the river, sponsors and spectators from Worthing and neighbouring villages came to cheer their duck(s) on.

Through their generosity, they raised for our Church just over £300 which is a fantastic result, so well done everyone and thank you for your continued support.
