

Our traditional May Day Bank Holiday Cream Tea afternoon although is usually a very busy time for our volunteers for which we are grateful, welcoming visitors to our Church is always an absolute delight. The beginning of May was however surprisingly very hot with soaring temperatures but this did not compete with those going to the beach, our visitors were constant and the cream – also jam, donated by The Cream Society - Cornwall, in many of the cakes remained scrummy and of course downed with copious pots of tea which satisfied everyone. In all 56 empty cups went into the wash and no wastage on goodies which is what we like to see. This coupled with an array of raffle prizes meant everyone went home happy. Once again, your continued support in this annual fundraising event generated over £333 for our Church.

A huge thank you to everyone. A fuller report on this event may be found on our Group website www:heartofnorfolkchurches.org.uk
