

Just as we enter May, I know some of you may want to forget the very wet weather in April however; Worthing still courageously went ahead with their Easter celebrations and their Annual Easter Duck Race. Our prayers were answered and we had a 90 minute slot of dry weather – so no umbrella's needed! And the ducks were successfully launched and most of them got to the finishing line. Overall we had 15 Easter Egg prizes to award, many of which went to our younger visiting community. Our most Senior winning member was Muriel – so well done everyone. By Easter Sunday you helped raise £370 for Worthing Church Mission & Ministry work which is a fantastic response from you all and we are very grateful for your continued support in this way. A full report together with photos of this event including our winners may be found on our Group website www.heartofnorfolkchurches.org.uk.

Exhibition at St Margaret's Church Worthing

And finally, St Margaret's Church – Worthing has for many years remained locked/closed other than for certain events and of course Sunday Services. We are pleased to let you know that an automated lockable door entry system has been installed whereby the church is open (without the need for a key) from 9.30am to 4.30pm each day. We hope in this way you will now enjoy the freedom of visiting our little church, learn more about what takes place, the work of the church and also appreciate its surroundings in peace and tranquillity. Please be assured we shall be continually monitoring this development and would welcome any comments or feedback. Of course the best way to do this is either write in the visitor's book in church or by phone or email to Celia Daniel at c.daniel784@btinternet.com

Our Sunday Services for the month will be on the 13th May Holy Communion and 27th May Matins - following the Book of Common Prayer.
Both services starting at 11am.

We hope you are able to join us in at least one of the above events.
