

Norfolk Churches Trust / Bike, Stride, Car event on Saturday the 8th September was successful in some parts of the region with several visitors and in others not so! However, as I myself was going around the various churches in our area, although this was apparent, I did meet a great bunch of people, brimming with smiles, exuding bags of energy and wanting to support this very precious and committed cause. Therefore I sincerely hope that for 2019 – which is likely to be the 7th September, it becomes a year of determined effort and improvement. For those that visited Worthing, our sincere thanks to you all and as importantly, our Volunteers who manned our church to meet and greet.

A huge thank you to everyone.

August & September are (depending on the weather) extremely busy times for our farmers and growers but with our scorching summer this year, harvest time was in cases brought forward and in others, farm produce was not so good. However, we still celebrate their efforts and we are thankful for all that they do. Therefore, as is customary, on **Sunday the 14th October at Worthing Church we will be celebrating with our annual Harvest Praise Service at 11am.** So we hope you will come and join us and perhaps bring along some produce, packages or tins for the Harvest Table. All donations will then be delivered after the service to our local Salvation Army in Dereham for their food bank which helps those in need. Our offertory collection will once again be donated to WaterAid.

Our 2nd Sunday service in the month is on the 28th at 11am followed by refreshments and a catch up with the locals.
