

Worthing's Bank Holiday Monday was not only very hot but amazingly sizzling and buzzing amongst the flora in St Margaret's grounds! Being able to welcome couples and small groups of adults to drop in and sample our Annual Cream Tea Afternoon was stupendous.

With blazing sunshine, even taking some refreshing shade under the oak tree to allow our visitors to tuck into some scrummy cakes baked locally and also have some fun with our bumper raffle and win prizes, it turned out to be a fab few hours.

Your generous donations for which we are so thankful, a total of 380 **was raised** and this will be put to excellent use adding to the Church Building Appeal for replacement heaters. We have a long way to go, but your continued support and that of our volunteers who help organise such events, is vital. A HUGE thank you to everyone that came and supported us.

No Mow May – and here we are again, doing our bit!

We all need to hold off mowing our grassed areas to not only encourage the flowers to bloom but also to help our bees, butterflies and other pollinators take full advantage of the natural food on offer.

Hopefully, you have all taken a rest from cutting your lawns, and maybe taken the time to visit our wonderful church yard adorned with an abundance of flora seen mingling around and amongst the headstones of our departed loved ones.

Although, very soon we shall need to cut and maintain our church yard to respect those that lay to rest but also for safe access when taking a walk round.

We hope you are able to make a return visit soon and enjoy the peace and tranquil setting of our Church.

Our normal Sunday Services for June fall on the 9th Holy Communion Service and 23rd Iona Service both starting at 10.30am followed by refreshments and a chat with the locals. We hope you are able to join us.
